DESCRIPTION

LABRANDA Alantur is located directly on a private shingle-sandy beach in a massive natural grown botanic garden. The pleasant Mediterranean climate wafts throughout and provides guests with an enchanting temperate feeling. It is attractively located in close proximity to one of the most pulsating holidaymaking areas of the Turkish Riviera, the city of Alanya. This resort city was an important strategic point for many Mediterranean-based empires throughout history, such as the Roman, Byzantine and Ottoman.
