DESCRIPTION

LABRANDA Lebedos Princess is a friendly all-inclusive holiday resort with extensive facilities at one of the most marvelous beaches of the Aegean Sea. This eco-friendly property is surrounded by a large garden and the breathtaking azur blue Mediterranean.

The resort is located 6 km from the town of Seferihisar, 4 km from the village of Sigacik and an hour from the Izmir Adnan Menderes Airport (60 Km). Its central location makes it an easy to get to coastal paradise with interesting towns to explore.

Seferihisar is a calm town with less than 30,000 residents in a region renowned for great beaches and cultivation of delicious citrus type fruits. The town's quiet charm and laid back ambiance attracts travelers with a desire to disconnect from the hustle and bustle of their everyday lives.

Seferihisar was named Turkey's first 'CITTASLOW' city (Slow City). This assignation is given by the CITTASLOW organization, which champions the slowing overall pace of cities. In an effort to enhance the quality of life of those inhabiting and visiting them. Slow Cities achieve this by putting an emphasis on the development of locally sourced high quality eating establishments, adopting ordinances that make better use of public spaces and protect local culture.

Are you looking for something more than a beach getaway? A wonderful food and storybook seaside town? Perhaps something that will satiate your intellectual curiosity? The nearby town of Sigacik is sure to quench some of these desires as it is the home of the ancient Greek city of Teos. You may also visit other ancient sites like the city of Ephesus and the Temple of Apollo, which are also near Sigacik.

However, if you are simply looking to relax by the beach, enjoy drinks by a beautiful pool, experience onsite entertainment, sleep in a comfortable room all while relishing our hotel's delicious local and international food, then you have our most welcoming permission to do so.
